| Indicated Areas

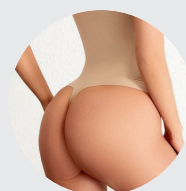

Non-Surgical Body Shaping

Tailor and refine your silhouette without the need for invasive procedures.

Breast Enhancement

Restore or boost the firmness and uplift of your bust for a youthful contour.

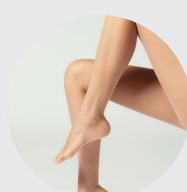

Buttock Volume Increase

Attain that desired fullness and shapely curve with finesse.

Intimate Area Augmentation

Enhance and rejuvenate for added confidence and comfort.

Calves Refinement

Sculpt and balance your lower leg profile for a harmonious appearance.

Skin Surface Smoothing

Address irregularities for a smoother, more even skin surface.

| Effectiveness

• Effectiveness of RG60: A Journey to Lasting Beauty

Where longevity meets effortless beauty, making every application a step towards timeless elegance and youthful vibrancy, minus the fear of complications such as scarring.

• Durability and Assurance

RG60 ensures beauty effects lasting up to 2 years with a single application, integrating seamlessly with the body and dissolving naturally, with easy options for repetitive treatments to maintain stunning results.

• Maintenance Period

- 1st Session : Enjoy results for 1-2 years, embracing a visible transformation.
- 2nd Session : Elevate the experience, with effects lasting 3-4 years or more.
- 3rd Session : Achieve a decade of beauty, with results spanning 5-10 years or more.
